TV ANTENNAS START OF SALES

GEONAV announces the introduction of two new models of TV antennas for the marine usage: TVA5 and TVA3.

GEONAV TVA 5 (code NAV80073) is an omnidirectional land TV antenna which is also completely waterproof.

Thanks to the control box, supplied with the antenna, it is possible to send a signal to four different TV screens. Specially designed and developed for a marine usage, GEONAV TVA5 has a price of €1.136, Vat excluded, and it is available to all the Geonav/Navionics dealers.

GEONAV TVA 3 (code NAV80074) is an omnidirectional land TV antenna, completely waterproof, too. More compact, in comparison with the other model GEONAV TVA5, it guarantees excellent performances to the very low price of € 190, Vat excluded.
